

🎥 Content Creator & Video Producer with a degree in Mass Communication & Public Relations. I handle the entire creative process—from the first photoshoot to the final video edit.

🤝 Experienced in working with team members to create high-quality digital content. I combine photography, video editing, and marketing skills to tell engaging stories that connect with people.

EDUCATION

Culture and Science City – 2026
Bachelor of Media and Mass
Communication – Public Relations

EXPERIENCES

Content Creation – Current

Photography & Content Creation

- I handle the entire creative pipeline, from professional photography and content creation to full video production. I seamlessly take projects from the initial shoot through to the final montage, transforming raw visuals into polished, engaging stories.

Video Producer – 2024

Digital Arts (Video Production)

- Collaborated with cross-functional teams to produce engaging videos within YAT and DEPI Scholarship.
